

Nostalgia In Times Square

Music by Charles Mingus

We miss him, we miss him
We're missin the magic moments spent with Mingus
We dig him,
We love him,
So grateful he left us all his special music
And what a hip bass he played for us
Nostalgia for Mingus

I miss them, I miss them
I'm missin the magic moments spent
In times square
I need them, I want them
I wanna get back to New York
And to Times Square
Seeing all the lights and hearing jazz
Nostalgia in times square.
